House stay: Garden - outdoor

Wall light for outdoor and indoor lighting. This LED Wall Light, made of cast aluminium, has an IP54 rating that makes it perfect for gardens and terraces. It has integrated 6W LED lighting and a luminous flux of 360 lumens with neutral light. It provides a wide beam of light that illuminates the wall in an upward and downward direction, creating a pleasant ambient light without disturbing the view. The surface of the wall light has a textured matt white finish.
