

Bulb Vintage Pendant Light

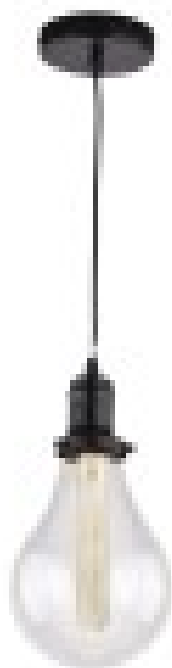

Reference: 99-717-27-180

Material: Metal and clear glass.

IP Rating: 20

Lamp holder: 1xE27

IEC protection: Class II

Vintage style pendant light with bulb shape and black metal cap. It includes a black fabric covered cable that can be shortened to suit high or low ceiling rooms. This light will provide a beautifully modern update to the traditional shapes. Looks perfect with a filament LED bulb.
