

## Graphite Multi Outlet Ceiling Rose

Reference: 15-000-01-280

Material: Metal  
Voltage (V): 230  
Frequency (Hz): 50  
Dimensions (mm): 20x200

6 holes ceiling rose plate in a polished graphite finish. With this accessory, you could drape up to 6 fabric lamp holders from the same point. These clusters are designed to enlighten a large interior space becoming a modern alternative to chandeliers. Combine them with vintage LED bulbs to create beautiful design effects with functional lighting. \*Bulbs and lamp holders not included.
