Cut out (mm): Ø75
Material: Aluminium
IP Rating: 65
Lampholder: GU10
Guarantee: 10 years
Dimensions (mm): 85x85

Recessed outdoor lamp. Squared recessed lamp with frame, white in colour and made of cast aluminium. This fixed lamp requires a 7.5 cm recessed hole. Easy to install with two clips, as it has a GU10 bulb holder included. The GU10 bulb is not included, but it can be replaced at the front, without dismantling the whole luminaire. It can be used as a ceiling or wall light in your bathroom or master suite in modern design interiors. The luminaire has an IP65 rating against water and moisture, making it ideal for lighting busy areas in gardens and terraces.

Dimensions: Height 8.5cm. Length 8.5cm. Depth 4.5cm. Cut hole Diameter 7.5cm
