Suitable for sloping ceiling: Max. 18º
Summer / Winter function: Yes
Number of Downrods: 2 Downrods

Antila Mini XS LED ceiling fan in grey. Fan with ultra-quiet DC motor with six rotation speeds, reverse function winter summer and breeze. Its design with retractable blades means that when the fan is not in operation, the blades are retracted on top of the fan. This type of fan is very practical for lighting a small bedroom because of its compact size and retractable blades. You can switch on just the main light, just the

decorative ring or the whole fan at the same time with the remote control. Dimmable LED lighting with three colour temperature tones.
