Antila LED ceiling fan in black. Fan with ultra-quiet DC motor with six rotation speeds, reverse function winter summer and breeze. Its design with retractable blades means that when the fan is not in operation, the blades are retracted on top of the fan. You can turn on just the main light, just the decorative ring or the whole

fan at the same time with the remote control.

***RGB Colour:** With this collection you can enjoy 16 different RGB colour ambiences, selected with the remote control. The lighting of the decorative rings is fixed in 4000K daylight.
