Recessed ceiling light with three colour temperatures. Tilting circular recessed downlight with 7W GU10 LED bulb, 600lm. and three colour temperatures (3000-4000-6000K)*. The light point is tilting at an angle of movement of 40°. Recessed ceiling installation with a 75mm cut-out. Compact white circular design very practical for functional lighting of indoor spaces.

***The colour temperature is selected at the time of installation by means of a switch located behind the bulb.**
