Puppy night light with rechargeable battery. Portable lamp in the shape of a puppy, ideal for your child not to be afraid at night and to sleep peacefully. You can regulate the intensity and change the colour tone of the light. It has a timer so that the lamp turns off automatically after 30 minutes or on the hour.

Functions:

On/off: Press and hold the button at the bottom for 5 seconds.

Night light: When the light is on, lightly touch the nose to turn on the night light.

Brightness level: Press the nose down to adjust the brightness level.

Colour tone change: When the light is on, press and hold the button at the bottom (3000K-6000K).

Timer: Briefly press the switch at the bottom for 30 minutes. Press again for 60 minutes.
