Silicone children's lamp with RGB LED light. Lamp in the shape of a cute little sitting cow, ideal for your son/daughter not to be afraid at night and to sleep peacefully. It is made of silicone so that it can be manipulated without any danger, patting it on the head to change the light intensity (1-2-3-off). On the bottom there is a switch to turn on/off and select the night light mode. The lamp has a rechargeable battery via USB-C port. Timer 30s-60s.
