Alum Collection **Ceiling fan** with light in black finish has a silent DC motor ceiling fan. Its motor allows to reduce the energy consumption and at the same time to achieve a lower noise in its running. It includes two rods of 12.5 and 25 cm. It has integrated 24W, 2410lm LED lighting with three light colours (warm light, neutral light and cold light). The included remote control has a timer function for programming the switch-off after 1-2-4-8 hours.
