Round movable recessed luminaire in a top quality shiny gold finish whose manufacturing process and materials are 100% Spanish. Its top quality gold colour makes it a real jewel, perfect to be installed in corridors, living rooms or any other room.

The lacquering of this recessed light makes its colour very durable over time, in short, a sure bet to give a touch of distinction.

Its tilting angle is 30°, allowing the light to be directed to the desired point. It can be installed with bulbs of different wattages, which can be replaced from the front of the recessed light so it is not necessary to remove it from the ceiling to change the bulb. Also available in other finishes.
