Fixed round recessed spotlight in chrome finish for ceiling installation. The recessed spotlight has a standard circular shape that seeks to achieve easy integration into different types of ceilings. With a fixed light point, this type of recessed light is designed to install several recessed lights in the ceiling along a corridor to illuminate a passageway. The bulb is easily replaceable from the front of the recessed downlight, so it is not necessary to remove it from the ceiling to do so. Fixed recessed ceiling light made from high quality zamak with a chrome plating. Available in other finishes, with or without lamp holder. Compatible with a LED module.
