Recessed fixed ceiling light in satin nickel colour. Modern recessed light in satin nickel manufactured and assembled in Spain with high quality materials. The bulb is easily replaceable from the front of the recessed spotlight so it is not necessary to remove it from the ceiling to do so. The satin nickel finish of the zamak adds a modern touch to the simple circular design of the recessed spotlight. Very practical fixed recessed spotlight for the lighting of rooms such as corridors, hallways or living rooms. Guaranteed for 10 years, offering high quality and performance with durable materials 100% made in Spain. You can purchase this recessed light with a GU10 or G5,3 lamp holder.
