Round recessed spotlight with fixed light point. The recessed light has a simple circular design that allows easy integration into the ceiling of the room. In this way, you can use the recessed light for lighting all types of interiors such as living rooms and corridors of houses or hotel lobbies. This fixed recessed fitting light is manufactured entirely in Spain with matt chrome injected zamak, which gives it a modern touch. You can purchase the recessed luminaire in other finishes to select the one that best suits the type of lighting project. The 055200 series of recessed ceiling lights are compatible with our LED lighting modules.
