Round tilting recessed spotlight in gold finish. Its elegant gold colour gives it a touch of exclusivity, perfect for installation in corridors, living rooms or any other room. The recessed light is designed with a 30° movable angle, allowing the light to be directed directly downwards or to one side. It is one of Ángel Aparicio Spain's best-selling recessed lights thanks to its gold finish, seeking to provide a touch of distinction when lighting any room. The bulb can be easily replaced on the front of the recessed light fitting to fit a bulb of more or less power depending on the time or lighting needs. Available in other finishes.
