Round tilting recessed spotlights in chrome finish. Its circular design allows for easy integration into the ceiling, making it ideal for use as lighting in any interior room. This recessed light stands out for allowing the light point to be oriented, offering the possibility of moving it at an angle of 30° to adapt to the needs of the moment or the project. Its chrome finish combines perfectly in modern style rooms and places with metallic decorative elements such as taps. High quality and 10 years guarantee, manufactured with chrome finish zamak injection. Easy installation in the ceiling and front replacement bulb.
