Round movable recessed spotlight in an antique gold finish. The recessed light is designed with a 30° movable angle, allowing the light to be directed directly downwards or to the side. Once installed in the ceiling, there is no need to remove the fixture again to replace the bulb as it can be easily removed from the front. Compact circular design with an antique gold finish for lighting projects in homes, hotels and businesses. Recessed ceiling spotlight with a 10-year guarantee and zamak injection with 100% Made in Spain. Available in various finishes, you can purchase the recessed light individually or combined with a GU10 or G3.5 lamp holder.
