Round chrome recessed spotlight for ceiling installation. Recessed light designed with a 30° tilt angle that allows, once installed in the ceiling, to direct the light point to one side or the other. The recessed luminaire has a standard circular shape for easy integration into the ceiling. The bulb is easily replaceable from the front of the fixture so that it is not necessary to access the bulb. Made in Spain with high quality materials and chrome plating to give it a modern touch. Available in other finishes. You can purchase the recessed downlight with a GU10 or G5,3 lampholder.
