Matt gold movable recessed spotlight for contract lighting projects. This recessed light is one of the most popular in its range due to its elegant matt gold finish. The main feature of the recessed spotlight is that it is movable, allowing the position of the light point to be modified with an angle of inclination of 30°. The matt gold finish of its zamak structure will give a distinctive touch to the room where it is to be installed. Recessed ceiling light manufactured with 100% Spanish high quality materials under the brand Angel Aparicio Spain. You can purchase the recessed light with GU10 or G5,3 lamp holder.
