Areca ceiling fan with transparent **folding blades** and **DC motor**. Thanks to its motor it allows to reduce the consumption achieving up to 6 speeds generating very little noise. This fan has integrated 48W LED lighting with three light tones. It also has a breeze function, which changes from one speed to another automatically, creating an atmosphere with natural air. The fan function of this fan makes the fan run for 15 minutes every hour at a medium speed to renew the air.

It includes a remote control that allows you to program the fan to turn off with a timer from 1-4-8 hours.
