Pcs / Master: 20

LED wall lamp for installation on bathroom mirrors. This wall light model is widely used in bathrooms to be placed above the mirror. With two diffusers made of a material known as ebirex, the wall lamp provides a uniform natural white light that is perfect for combing your hair or applying make-up in front of the mirror. The wall light is designed with an IP44 rating which makes it resistant to possible splashes of water from the sink or shower. The Angel Aparicio Spain bathroom wall lights can be installed in three different ways, allowing

you to place them directly on the mirror, on the cabinet or on the back panel. IP44 grade.
