Power factor: 0.5

Certificates: CE, ROHS

Guarantee: 5 years

Dimensions (mm): 117.4 x 37.4 x 118.7

Built-in driver IC: Yes

Mounting ways: Wooden Backing / Mirror with multifixing block

Junction box included: Yes

Pcs / Master: 20

LED mirror lamp Lisboa to be placed on bathroom mirrors. Wall light with a minimalist and original design designed to provide practical natural white lighting on the upper part of the mirror. The wall lamp is prepared to be resistant to possible water splashes caused by the environment, as it has an IP44 protection rating. It is made from a material known as ebirex, which allows the wall light to illuminate uniformly, creating a light that does not cause flashes. LED lighting in neutral white.

The Angel Aparicio Spain bathroom mirror wall lights have three installation modes, allowing them to be placed directly on the mirror, on the cabinet or on the back panel.
