Guarantee: 3 years
Dimensions (mm): 450x450x70
Switch-on memory: Yes

Decorative LED flush ceiling lamp with three-temperature light. The structure of the ceiling lamp creates different rings of light that can be combined with different shades of light to create different lights. With the control included, in addition to adjusting the light tone, the intensity can be regulated and switched on and off. It has a night lighting mode and a memory function to recover the last lighting set.
