DC fan in silver colour, with a casual style, with features that make it perfect for spaces such as living rooms or youth rooms. It has a speaker, which you can connect via Bluetooth.

Its LED, in addition to having temperature control, is also RGB. It also has a memory, timer and breeze function, as well as the usual summer-winter function.

The fan has two stems so that you can adjust its height, as well as allowing it to be installed on sloping ceilings of up to 15º. In addition, its blades are retractable, concealing them when the fan is not switched on.
