

Nuk Recessed Light Aluminium

Reference: 01-160-00-003

Weight (Kg): 0.23

IP Rating: 20

IEC protection: Class III

Dimensions (mm): Ø100

Pcs / Pack: 1

Deep circular recessed light made of aluminium. The bulb can be tilted 30° to suit the room at your individual taste, and thanks to the deep design of the luminaire the light will be reflected on the sides resulting a wider and more scattered illumination. GU5.3 fitting. *Bulb not included.

***Net prices. No additional discounts will be applied.**
